Confidentiality Notice: Analytical testing for this certificate was conducted by an **accredited university laboratory in Indonesia**. The identity of the testing facility is confidential pursuant to a signed Non-Disclosure Agreement (NDA) between Novalabs and the testing institution and cannot be disclosed.

The peptide purity analysis reported here was conducted using LCMS/MS under standard laboratory conditions. This analysis is intended for informational purposes only and is specific to the sample(s) provided. The peptides tested are intended for research use only and are not approved for human or veterinary use, diagnostic, therapeutic, or clinical applications. Results should be interpreted by qualified professionals within the scope of the intended research. The accuracy and reliability of the test may be influenced by sample integrity, handling, and other experimental variables.
